Cures Woman's Weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW Says
of Unicorn root (Helonias Dioica) which
is one of the chief ingredients of the "Fa-

"A remedy which invariably acts as a uterme invigorator " " makes for normal activity of the entire reproductive system."
He continues "in Helonias we have a medicament which more fully answers the above
purposes than any other drug with which I am
acquainted. In the treatment of diseases paculiar to women it is seldom that a case is
seen which does not present some indication
for this remedial agent." Dr. Fyfe further
says: "The following are among the leading
indications for Helonias (Unicorn root). Pain
or aching in the back, with eleucornhea;
atonic (weak) conditions of the reproductive
organs of somen, mental depression and inritability, associated with chronic diseases of
the reproductive organs of women; constant
sensation of heat in the region of the kidneys; menorrhagid (flooding), due to a weakened condition of the reproductive system;
amenorphagid suppressed or absent monthly
periods), akaing from or accompanying an
abnownal condition of the digestive organs
and agazine (thin blood) habit; dragging
sensplions in the extreme lower part of the
abdomen."

If more or less of the above symptoms are present, no invalid woman can did better than take Dr. Pierce's favorite Prescription, one of the leading ingredients of which is unicorn root, or Helonias, and the medical properties of which is most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription." Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says:

"It is an important remedy in disorders of the womb. In all caterrhal conditions and general enfeeblement, it is useful."

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all dobilitated states."

Prof. R. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal:

"Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorsches (painful menstruction)."

Dr. Pierce's Favorite Prescription fasthfully represents all the above named ingredients and cures the diseases for which they are recommended.

POLICE AND STRIKERS FIGHT. The police fought and whipped 20, 000 strikers and labor union sympathi day afternoon. Broad street, from the Philadelphia National League Park to the City Hall, was a bettleground for two

Hundreds of them were pounded to the street, trampled by men and borses, kicked and cuffed and whirled headlong to sida atreets.

It is impossible to say how many were hurt, but atter the mob was driven helterskelter into side strests, one saw scores of men, now and then a woman, whose head had been cut open by the savage blows of a club, whose faces were bloody or who were nursing an arm paralyzed by the smashing impact of the policeman's mace.

Broad street was a curious spectacle after the battle, for equares the asphalt was littered with bats-men's hats and women's head-covering, that had been crushed and swept away in the driving rushes of the policemen. A truck load of damaged millinery might bave been gathered up.

There were shoes that had been torn off by their owners and thrown at the police and many of them were women's. Occasionally one came across a coat of an overcoat that had been ripped off its owner's back in the meles. More intimate garments were found in this strange presd of debris.

The committee of ten of the Central Labor Union issued a call for a massmeeting in the National League Park. Director Olay, acting under orders from the mayor, forbade the meeting emphatically and notified the lawyer who acted for the unions that the meeting would o'clock yesterday afternoon while carrybe contrary to law and against the pub-the company's mines at Brilliant, Ohio lic peace. DUEZ'S DEFALUATION.

No further arrests had been made in Paris yesterday in connection with the scandal developed in the discovery of a shortage of something like \$2,000,000 in the accounts of M. Duez, one of the liquidators of the church properties taken over by the state. The most fantastic details of the methods employed by Duez are published. According to these he obtained a commission of \$39,000 on the sale of the Stanislaus College property and gave a long lesse of another property for \$2,000, which lease was immediately sublet for \$8,000. The investigation has established that Dutz was short in his accounts \$100,000 in 1901, when he was appointed liquidator. Apparently he was trying to make up the deficit, but got deeper and deeper into difficulties. All of the money did not go to the Bourse, as the police found that the woman with whom Duez lived was in possession of a substantial bank account and much jewelry. On the day of his arrest Duez was arranging to torn over to another woman \$60,000 to start a botel.

WANTED ALL.

"When I married Sam," said Mrs. Fanny Bookbinder yesterday in the New York police court, "he promised to provide for me, and last night his pay envelope was 30 cents short," Mrs. Bookbinder is a bride of eight days. Although she has a personal bank account of \$1. 000, which she refuses to share with Sam, she haled him into court on representations that he had treated her cruelly. "Suppose your husband wants cigar?" suggested the magistrate. "I'll buy it for him," replied Mrs

The magistrate laughed outright. "You go home and make up your mind," he said, "to do as your husband tells you and take what he gives you. And fon't come before me again with such ridiculous charges. Oase dismissed."

ASSAULTED AND ROBBED. Two paymasters of coal companies were held up yesterday in different sections of eastern Ohio and were robbed of sums approximating \$5,600, and as a result of the attacks one man is dead and another probably dying, while a third is seriously injured.

Edward McGann, paymaster, and Charles M. Pommering, assistant, of the Dextor Coal Company, of Pittsburg. were attacked by highwaymen at 1 pital in Stenbenville, Ohio, while the bandite, who escaped with the money, are thought to be hiding in the hills of West Virginia, scross the Obio river from the place of the holdup.
